

# SUBWAY® GIFT CARDS

## MANDATORY STATE / PROVINCE CASH OUT REQUIREMENTS

To protect the integrity of the Subway® Gift Card program, they are not redeemable for cash except as required by law. Some states /provinces have adopted laws which require that customers be given cash-back under certain circumstances, such as when the balance on the customer's Card falls below a specified threshold, and the customer requests the balance in cash.

The chart below lists the states /provinces which have adopted such laws, and the circumstances under which cash-back is required. The information is current as of June 2023.

State / Province	Balance Threshold Requirement	Due Upon Request / Automatic
California	Less Than \$10	Request
Colorado	\$5 or less	Request
Connecticut	Less than \$3	Request + Proof of Purchase / Gift Receipt
Hawaii	Less than \$5	Automatic
Maine	Less than \$5	Request
Massachusetts	\$5 or less	Request

Subway Payment Services, LLC and Subway Payment Services Canada, ULC have adopted a policy designed to prevent Subway® Gift Cards from being used to promote criminal activity (such as money laundering). Under that policy, cash refunds can be given to customers for balances on Subway® Gift Cards only in states where it is required by law, and only to the extent required by law.

Consumers in states /provinces not listed above cannot receive cash back. Refer to Chapter 11 of your Operations Manual for additional details.

Subway® Gift Cards are issued by Subway Payment Services, LLC in the US and Subway Payment Services Canada ULC in Canada.
